Conferences, Meetings and Events

Located in the heart of the tranquil and award-winning Trenance Gardens, Trenance Cottages are a trio of beautifully renovated Cornish cottages and the result of Newquay's biggest ever community-led restoration project. The cottages are unique and make a perfect venue to host an array of gatherings, including meetings, conferences, training days and social events.

About Trenance Cottages

There is not a row of Cornish cottages like Trenance Cottages anywhere in Cornwall that is open to the public, and the cottages are among very few remaining properties left in Newquay from the period before the passenger railway of 1876. The great local architectural, historical, landscape and social significance of Trenance Cottages makes the venue a unique and distinctive setting for any event.

The cottages have been locally revered by the Newquay community who wanted to promote and engage with its heritage, and the cottages are now preserved and managed by a registered charity, Trenance Cottages Newquay. The cottages are multi-functional and contain a heritage museum, a tearoom with ice-cream parlour, a language school and two hireable spaces for public and private use. The profits made from hire help the charity to keep the cottages alive.

Private hire

Following the cottages re-development, there are two hireable spaces at Trenance Cottages, the Function Room and the Resource Room. Each room has been lovingly restored, and offers a private space for individuals, organisations and community groups to meet. The space can also be used to hold a public event.

The suitability of each room will depend on the requirements of your organisation and the number of people attending. The Function Room situated in Rose Cottage can cater for up to 50 guests, while the Resource Room situated in Vine Cottage caters for a maximum of 14 guests.

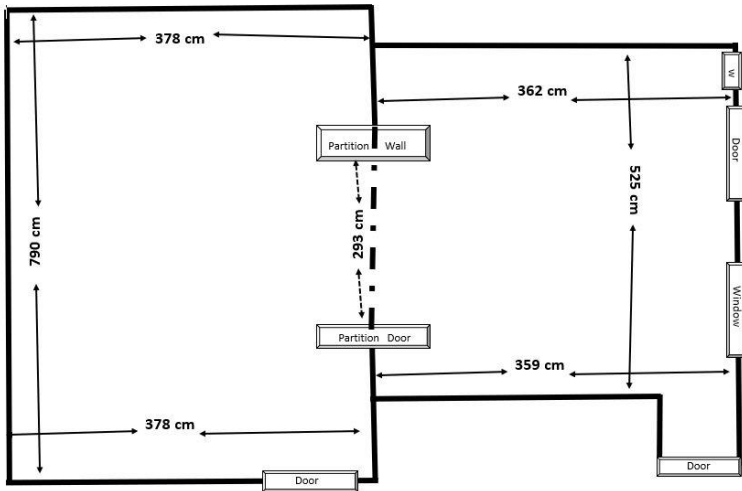

All bookings are subject to availability and our terms and conditions of hire. To enquire about availability and these terms of hire or to arrange a site visit, please contact:
